

Argyll Action Fan Club

What is Argyll Action Fan Club?

Argyll Action Fan Club (AAFC) is a group of parents from all grades that come together in support of Madison-Grant athletic programs. Monies raised in the past have been spent on splitting the cost of athletic uniforms, upgrading equipment, adding new equipment used in practices or games, and supporting all teams with banners, signs, and team recognitions.

Who can be involved in AAFC?

Anyone is invited to be a member of AAFC. Meetings are held in the high school cafeteria on the third Wednesday of each month at 6:00 P.M.

What type of commitment is involved?

Whatever time you are willing to donate to AAFC is appreciated. At no time will you be pressured to attend all activities. A group effort is necessary for a successful parent organization.
